Head Coach / Manager

We are moving team registration to online. This will make the registration process more simplified, make registration quicker and easier for returning players and coaches. It will also remove the burden of the coach / manager having to track down parents, fill out forms, gather payments and turn in paperwork. Parents will go online and register/pay for their players, assistant coaches will go online to register, pay any fees if needed and have background screening done.

Outline of the process:

5. Parents will be able to attend a walk up registration (date/time TBA) to register in person.
6. For those teams that wish to continue with a paper registration process, it will be allowed but there will be an addition fee of \$10.00 per player registered.
